

## Roadmap for Sharon Coin:

### Phase 1: Foundation and Community Building

- Establish partnerships with prominent social media influencers to ensure effective utilization of charity funds
- Create responsive and user-friendly website for Sharon Coin project
- Establish social media presence to engage with the community
- Launch white paper, explaining the key aspects of the project
- Conduct a small presale and then launch to distribute tokens fairly and widely
- List Sharon Coin on decentralized exchanges for trading
- Engage with potential additional micro crypto influencers to build a strong community presence
- Collaborate with designers and artists to develop meme-driven branding and visual identity
- Develop an easy to use system for tracking and recording all charitable transactions on the website ensuring transparency and accountability and creating anticipation of the giveaway videos
- Collaborate with regulatory bodies to ensure compliance with relevant regulations and guidelines in various jurisdictions
- Get Sharon to a 1 Million Dollar Marketcap

### Phase 2: Development and Platform Launch

- Implementing a solid marketing strategy and communications team so that members of our community are well-informed
- Develop strong relationships with Marketing Strategists to engage members on twitter and other media platforms
- Get Sharon to a 10 Million Dollar Marketcap
- Entertain some potential investors and forge partnerships with other Base projects

### Phase 3: Community Expansion and Partnerships

- Engage with other cryptocurrency communities for collaborations and partnerships
- Have a bi-weekly AMA where community members can listen to and engage with the development team and where we can keep the community informed of recent developments with Sharon.
- Explore opportunities of integrating Sharon Coin with existing crypto e-commerce platforms to facilitate meme-driven purchases
- Develop strategic partnerships with charities and social impact projects to broaden the reach and impact of Sharon Coin's philanthropic efforts
- Implement mechanisms for decentralized community governance, enabling token holders to actively participate in decision-making processes
- Get Sharon To a 50 Million Dollar Marketcap

#### Phase 4: Scaling and Global Adoption

- Analyze and optimize the scalability of the Sharon Coin ecosystem to accommodate a growing user base and increased transaction volume
- Develop a Board and voting mechanism where members of our community can nominate and vote on the recipients of Sharon's charitable endeavours.
- Conduct marketing and awareness campaigns to promote Sharon Coin on a global scale, targeting meme enthusiasts and individuals interested in philanthropy and social impact
- Continuously foster growth, innovation, and adoption in the Sharon Coin community through community events, incentives, and ongoing development efforts
- Get Sharon to a 300 Million Dollar Marketcap

-SO KEEP CALM AND SHARE-ON

Note: This roadmap is a general overview and should be adapted and adjusted based on market conditions, regulatory requirements, and community feedback as the Sharon Coin project progresses.
